If you are the least bit serious about woodturning, you can't afford to miss out on all this.

Library: See Joe Daniels to borrow tapes and other publications related to woodturning, for only a modest deposit or donation to the club, if you like. A reference list of available material will be forthcoming in the near future.

This event will feature local and regional demonstrators and is designed to promote the craft of woodturning as well as renew the goodwill of woodtumers and prospective woodturners throughout our region. The mission of this event is to provide an environment for networking and education for members of the regional woodturning community and for promotion of the art and craft from the lathe. Through active demonstrations we hope to provide avenues for expansion in one's woodturning, as well as introducing non-turners to the craft.

Symposium Sponsors:

Woodturners Guild of North Carolina (Raleigh)
North Carolina Woodturners (Hickory)
Piedmont Triad Woodturners (Greensboro)

Participating Clubs:

Down East Turners (Kinston)
Carolina Mountain Woodturners (Asheville)
