## Suspended Vessel with Chuck Mosser

Great demo & hand out for making these interesting vessels. I can't improve on the handout, so I will get it onto the website soon.

He starts with a screw chuck mounting while hollowing the outer bowl.

Leave the center portion and turn a tenon on it. Reverse mount the piece and hollow the inner vessel. Cut a recess for the lid. Try for a good wall thickness. After turning, carve away part of the bowl to expose the inner vessel. Finally,

make a lid to finish your vessel.

**Shows Coming Out Of VA:**

**Pen Turners:** We had a wonderful demo on making Bangles. John P. had been doing this for several years and sells them for \$100+. He prefers to use size #8 stainless steel cores ([www.Bangleguy.com](http://www.Bangleguy.com)), stabilized wood ([Fred@luv2turn.com](mailto:Fred@luv2turn.com)) and Liquid Nails clear silicon caul. Also, we had a lesson on dead center drilling of Celtic pen blanks. The trick is to start the hole with a centering drill bit. Bruce still thinks his knots were off a bit, but they still look better than mine. Back to the jigs then off to Harbor Freight for bits. Members will do 3 demos for the RW in October.

**Meeting Vibrations**

Phil is still looking for members to run for office. He has threatened to run himself if no one volunteers.

The tops have been finished and the quota has been met.

Picnic at Patriots Landing, New Kent will be catered \$5 per couple. RSVP at the meeting or to Jeff /Debbie Harrell

Time to think about the Christmas Party. We want any swaps or silent auction? Let the President know. These things need time to plan.

**Next Challenge will be Suspended Vessel due at the November meeting.**

## FOR SALE, BUY, or TRADE

Woodcraft provides a 10% discount on non-power tools and turning supplies to current members on our meeting night.

I am part of a team of people who are developing the **decorations at the Governor's Mansion** this year. As you may know, we are celebrating the 100<sup>th</sup> anniversary of the Virginia Department of Forestry this year and the Governor's Mansion's Christmas decorations will feature forestry in the Commonwealth. We are seeking turned wooden ornaments to hang on the main Christmas tree in the Mansion during the month of December. *I can pick them up at Woodcraft.* They would need to be there *Tuesday, Nov. 25*, so that we can deliver the items to the Mansion the morning of Dec. 1st. Some of the carvers want the ornaments returned, which we can and will do. Others are donating them to the Mansion for future use. The choice is yours.
